

Public evaluation report

Results of open call (Call identifier: smartees12-2017 call) for recipients of financial support

Project **acronym:** SmartEEs

Project **full name:** SMART Emerging Electronics Servicing DIH

Project **grant agreement number:** 761496

Project SmartEEs, co-funded from the European Union's Horizon 2020 research and innovation programme under grant agreement No. 761496, launched an open call (**Call identifier: smartees12-2017 call**) for recipients of financial support.

The Call will be open from **18th of December 2017 to 20th of September 2019**, and the third cut-off date was 16th November 2018 (deadline: 17:00 CET). The submission of application experiment proposals was done electronically through the submission software. Applicants were required to register through the submission software at <https://apply.smartees.eu>, download the Application Form, complete all its fields, save it as a PDF file (MAX 5 pages), upload and submit it through the software.

A total of 26 proposals were received for this cut-off date, all of which were evaluated. 4 proposals were selected for funding, and 1 was put on reserved list. The funding amount for each of the selected projects will be decided during the contracting phase.

The evaluation and selection processes have been completed. All applicants have been informed about the evaluation results of their proposals for financial support.
